Receipt of Sexual Harassment Policy

It is Ziba Beauty's policy to prohibit harassment of any employee by any Supervisor, employee, customer or vendor on the basis of sex or gender. The purpose of this policy is not to regulate personal morality within Ziba. It is to ensure that at Ziba all employees are free from sexual harassment. While it is not easy to define precisely what types of conduct could constitute sexual harassment, examples of prohibited behavior include unwelcome sexual advances, requests for sexual favors, obscene gestures, displaying sexually graphic magazines, calendars or posters, sending sexually explicit e-mails, text messages and other verbal or physical conduct of a sexual nature, such as uninvited touching of a sexual nature or sexually related comments. Depending upon the circumstances, improper conduct also can include sexual joking, vulgar or offensive conversation or jokes, commenting about an employee's physical appearance, conversation about your own or someone else's sex life, or teasing or other conduct directed toward a person because of his or her gender which is sufficiently severe or pervasive to create an unprofessional and hostile working environment.

If you feel that you have been subjected to conduct which violates this policy, you should immediately report the matter to your Supervisor. If you are unable for any reason to contact this person, or if you have not received a satisfactory response within five (5) business days after reporting any incident of what you perceive to be harassment, please contact the General Counsel. If the person toward whom the complaint is directed is one of the individuals indicated above, you should contact any higher-level manager in your reporting hierarchy. Every report of perceived harassment will be fully investigated and corrective action will be taken where appropriate. Violation of this policy will result in disciplinary action, up to and including discharge. All complaints will be kept confidential to the extent possible, but confidentiality cannot be guaranteed. In addition, Ziba will not allow any form of retaliation against individuals who report unwelcome conduct to management or who cooperate in the investigations of such reports in accordance with this policy. Employees who make complaints in bad faith may be subject to disciplinary action, up to and including discharge. All employees must cooperate with all investigations.
